

K209SS-1 COLD BREW KEGERATOR

Medium Office Kegerator

WHY WE RECOMMEND THIS KEGERATOR

This versatile high-quality K209SS-1 Single Faucet Kegerator comes complete with all the equipment you'll need to dispense a store bought keg of cold, fresh-tasting draft beer, and includes two adjustable storage shelves that allow it to be easily converted into a regular all-refrigerator. Its impressive interior capacity can accommodate a full-size 1/2 barrel keg along with the dispense system, or store cases of your favorite cold beverages.
