

## LA MARZOCCO GS/3

Small Office Espresso Machine

### WHY WE RECOMMEND THIS BREWER

The GS/3 features the thermal stability system used in the La Marzocco Strada, including a preheating system, digital PID controller, saturated groups, a dual-boiler system, and digital display. These features make for a luxury espresso preparation platform: everything you could hope for as someone who wants to enjoy the best-quality espresso at home. All that's left for you to do is to grind, dose, and tamp.
