

# OMNIA

Single Serve Espresso & Coffee Brewer

# LAVAZZA

## WHY WE RECOMMEND THIS BREWER

The largest machine in the Expert range, OMNIA is ideal for large offices, providing fresh milk espresso based beverages as well as 8 oz coffee. Elegant, professional, technological, versatile, and powerful, Omnia is designed to give you an even more intense experience thanks to its ease of use, silence, and the perfect combination of the coffee's taste and flavor. Omnia, the difference in one touch.
